

# Master Comparing Number Representations to 20 A

## Step 1

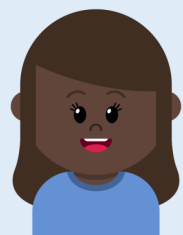

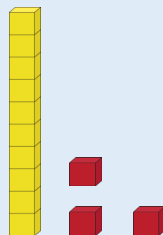

Each partner makes a number to 20 using Dienes.

Each partner says the stem sentence...

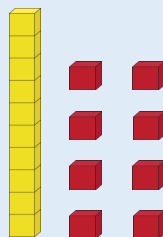

\_\_ has \_\_ ten/s and \_\_ one/s.

13 has 1 ten and 3 ones.

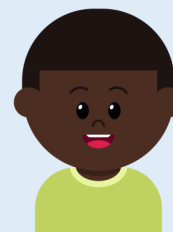

18 has 1 ten and 8 ones.

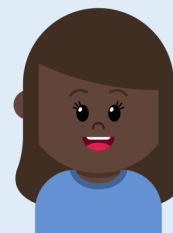

## Step 2

Partner 1 compares the representations using the stem sentences... They each have \_\_ **tens** / **ones**. and / or \_\_ has **more** / **fewer tens** / **ones** than \_\_

They each have 1 ten.  
13 has fewer ones than  
18

Partner 2 compares the representations using the stem sentence... \_\_ is **greater than** / **less than** / **equal to** \_\_

13 is less than 18

Repeat the task, taking it in turns in each role.
