# Master Representing Numbers 21 to 100
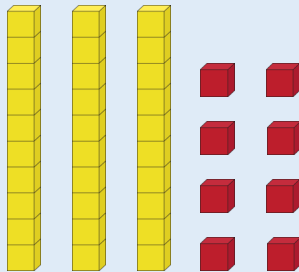

Step 1

Select a Dienes card.

Step 2
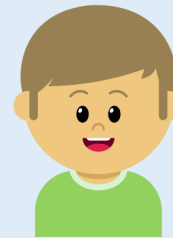

Make this number using Dienes.

Step 3

Use the stem sentences to say...
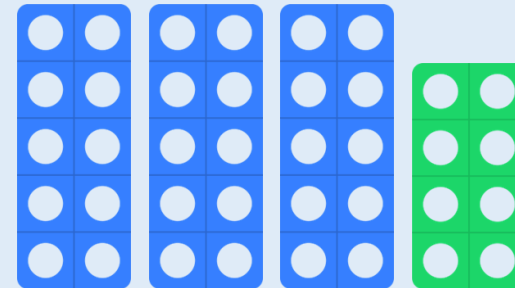

"There are __ tens and __ one(s). The number is __"

There are 3 tens and 8 ones. The number is 38

Step 4

Represent the number in another way.

Practical

Pick another Dienes card and represent that number in different ways.
