

Master The Number Line to 10

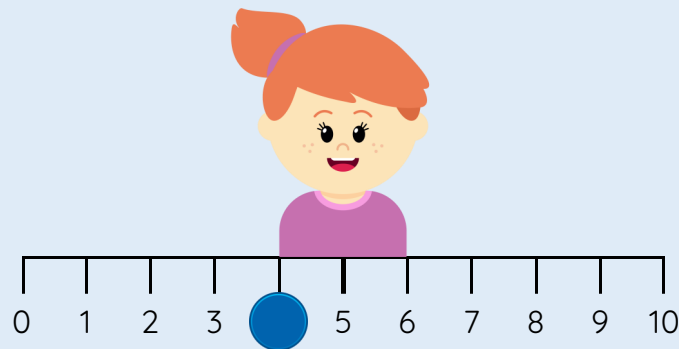

Step 1

Partner 1 closes their eyes.

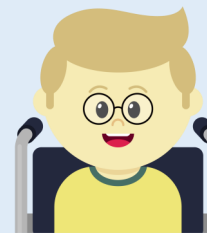

Step 2

Partner 2 places a counter to hide a number on the number line.

Step 3

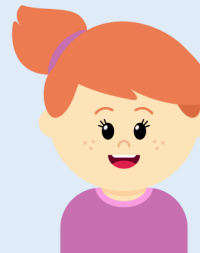

Partner 1 opens their eyes and says the stem sentence... ___ is here on the number line because 1 more than ___ is ___

4 is here on the number line because 1 more than 3 is 4

Step 4

Partner 2 agrees or disagrees with their partner by saying the stem sentence... ___ is here on the number line because 1 less than ___ is ___

4 is here on the number line because 1 less than 5 is 4

Repeat each step, taking turns in each role.
